

St Francis of Assisi
PARISH PRIMARY SCHOOL

INCLEMENT WEATHER POLICY

Rationale

Schools have a duty of care to staff and students at all times. This duty of care includes protection against inclement weather during times when students would normally be outside.

Aims

- To ensure the well-being of students and staff during times of inclement weather by consistently implementing a planned management strategy that will cater for all circumstances.

Implementation

- As part of the usual yard duty time-table process, an inclement weather time-table will be activated by the Principal or Deputy Principal when conditions outside are considered to be unsuitable for students and staff.
- Inclement weather is generally defined as extreme heat, rain, lightning, or any other condition that is considered to be unsuitable.
- Where inclement weather is obvious prior to children being dismissed for a recess or lunch break, an announcement will be made by the Principal / Deputy Principal advising class teachers to follow the inclement weather time-table until further notice.
- In such cases, teachers will supervise a number of grades (as previously agreed to by the teachers concerned), for half the recess or lunch break, then swap over.
- Teachers, other than classroom teachers, will similarly share supervision. (as pre-determined).
- All children will be confined to classrooms unless permission has been granted by a teacher to leave temporarily, e.g. toilet break.
- Children will be expected to walk indoors at all times and undertake appropriate indoor games and activities.
- In the case of inclement weather during a recess break, a yard duty teacher will inform the Principal/Deputy Principal of the possible need to activate the inclement weather time-table.
- The Principal / Deputy Principal will assess the situation and make the decision to call the children inside, or alternatively, to seek adequate shelter, in which case the yard duty teachers will continue to supervise outside.
- In the event of children being required to come inside the school buildings, yard duty teachers will supervise the corridor briefly while designated teachers make their way to the classrooms, or other areas, that they are required to supervise.
- All staff and students are required to wear hats during Terms 1 and 4 consistent with the school's Sunsmart policy.

Written October, 2016. Last Reviewed October, 2016. To Be Reviewed October, 2019.

- Scheduled sport, physical education or other outside activities will need to be rescheduled or alternatively organised during times of inclement weather.
- Emergency Teachers are well informed about processes and operations with regard to inclement weather.
- A “Hot Day Program” will be called should the temperature reach 33 degrees Celsius or there are extreme hot winds in the area.
