SUNSMART POLICY

Rationale

At St. Francis of Assisi school, we have a duty of care towards all our students. We encourage all students to act responsibly in regard to being aware of sunsmart issues when outside.

Aim

- To ensure that all students understand the effects the sun has on our skin and dress appropriately and in accordance with school policy.

Implementation

In order to lessen the exposure to the harmful effects of the sun's rays, we encourage students to:

- Wear a sunhat when playing, eating or taking part in sport or any activity outside in Term 1 and Term 4.
- Wear the sunhat as part of the school uniform.
- Have Sunscreen available for all students.

All teachers are encouraged to wear a hat and sunglasses when outside.
